

Prescot IV Design #2642

Elegance is the best word to describe the Prescot IV. When you walk in you are greeted by an octagonal foyer that will wow all your guests. This spacious 2-story model features a large open concept, kitchen with island, and masonry fireplace in the family room. The first floor master bedroom suite features two walk-in-closets. The second floor includes a private guest suite perfect for out of town guests. A full finished basement is also an option. The Prescot IV is a wonderful townhome with luxurious appointments.
